Day	Maths recall and rehearse	Maths	Break	Handwriting	Reading	Spelling RWI	Writing <i>Lessons are put in order from the start of the week. Should you be beginning this timetable mid week, go back and complete the lessons in numerical order.</i>	Curriculum	Story time
Monday	2d shape properties	Number bonds to 20	Ensure you have time for a break for 15 minutes	See documents on dojo/teams	Reading your home reading book	ea sound ph sound au sound ue sound i-e sound	Read the story of the Gingerbread Man with a grown up. Complete the story review to share your opinion of the traditional tale. Sheet uploaded onto 'Teams'	Art Use the Cubist portrait sheets uploaded onto the Teams area to create a collage cubist portrait in the style of Pablo Picasso.	Share a story you enjoy at home.
Tuesday	2d shape matching game	Number bonds subtraction					Use the text map template. Draw symbols and pictures to retell the story of the Gingerbread Man. Use the written version of the story to help you write down any describing words or interesting verbs you might use for the characters to add detail when you retell the story in your own words. Speak the story out loud so that you know it confidently. Sheet uploaded onto 'Teams'	Art Use the roll and sketch sheet uploaded onto the Teams area to complete a cubist drawn portrait in the style of Pablo Picasso. Roll the dice and sketch the facial feature linked to the number you roll. Add colour to your outcome.	

Wednesday		Adding and subtracting ones					<p>Write the beginning section of your story in your own words. (Up to when the Gingerbread Man escapes from the old woman's cottage.) Follow your text map to help you.</p> <p>Include a story opener, describing words for the setting and characters. Think carefully about your spelling of common words (eg said, they, because) and use the key word mat to check them.</p> <p>Key word mat uploaded onto Teams</p>	<p>Science</p> <p>Learn about the parts of a tree using the PowerPoint uploaded to the Teams area. Complete the sheet to label each part of the tree.</p>	
Thursday		Adding and subtracting multiples of 10					<p>Write the middle section of your story in your own words. (Up to when the Gingerbread Man gets to the river) Follow your text map to help you.</p> <p>Think carefully about your spelling of common words (eg said, they, because) and use the key word mat to check them.</p>	<p>RE</p> <p>Read the page about Hanukkah to find out about the Jewish celebration. Use the information you have read to fill in the work sheet. Both sheets uploaded onto Teams area.</p>	
Friday		Adding and subtracting tens from a 2 digit number					<p>Write the ending of your story in your own words. (when the fox swims with the Gingerbread Man across the river) Follow your text map to help you.</p> <p>Think carefully about your spelling of common words (eg said, they, because) and use the key word mat to check them.</p> <p>Draw an illustration to accompany your story.</p>	<p>Science</p> <p>Revisit the parts of a tree PowerPoint from Wednesday. What does each part of the tree do? Complete the activity sheet uploaded on to the Teams area.</p>
