Home School Agreement

Home School Agreement

At St James CE Primary School we believe that children learn and achieve most successfully when there is a strong partnership between the child's home and their school. This means working towards the same aims with agreed responsibilities and expectations. We aim to prepare our children both socially and academically to be confident and ready to face their next steps.

St James CE Primary School assume that by sending your child to our school, you agree to the Home School Agreement. If you have any queries or concerns, please contact the school office on 0121 552 5491 or contact.us@stjamespri.uk.
