Communication and language

Please start sending in any photos of events/activities for your child to discuss. They will get the chance to do so every week e.g. a day out, a birthday (their own or close families), a party, something they have made e.g. cakes, art work, putting up Christmas decorations etc.

Send to nursery@stjamespri.uk This is for strictly photos only. No messages will be responded to.

School library books

After the half term holiday, your child will receive a school library book for you to share at home. Please bring them back every **Wednesday** so that they can be changed for a new one.

Enjoy reading to your child at anytime but bedtime is always a great time to snuggle with a book. Each of these moments creates an opportunity to build a deeper connection with your child and to build their language and literacy skills, too!

Any questions, please ask a member of the Nursery Team

Kind regards

Nursery
